## Terrain Description

*Description of terrains and vegetation (including altitude above sea level):*

### **Long – 1:15.000** (5m contour interval)

(1400-2000m asl) Alpine terrain with both steep and gently rolling, cropped pasture land. Mainly coniferous woods with good visibility. Plenty of rock and contour details. Mixed runnability from good to slow (due to undergrowth and rocky terrain).

### **Middle – 1:10.000** (5m contour interval)

(1400-1600m asl) Alpine terrain with both steep and gently rolling, cropped pasture land. Mainly coniferous woods with visibility from good to poor. Plenty of rock and contour details. Mixed runnability from good to slow (due to undergrowth and rocky terrain).

**Relay - 1:10.000** (5m contour interval)

(1000-1300m asl) Alpine terrain with both steep and gently rolling, cropped pasture land. Mixed coniferous woods with varied visibility. Plenty of rock and contour details. Mixed runnability from fast to slow.

**Sprint - 1:4.000** (2,5m contour interval)

(650m.-700m asl) Urban area with two small parks, fields and wooded slopes. Broad leaf woodland with fair visibility. Many man made features and little contour detail. Very good to excellent runnability

**Local Weather Conditions**

The weather in Primiero in July is typically warm and pleasant (in the 20s ° C). It will be significantly cooler at higher altitude. There is also a chance of rain and thunderstorms.
